

REMARKS

Applicants file this Amendment to amend minor typographical informalities in the claims prior to issuance. Applicants contacted Examiner Boyce on June 30, 2009 to indicate their intention to file this Amendment. Examiner Boyce gave verbal approval to file the Amendment on Thursday, July 2, 2009.

Specifically, Applicants have amended the claims to provide antecedent basis for all limitations and have canceled claim 11 to prevent duplication of the "display" limitation of claim 1. Amendments neither add new matter, nor require an additional search by the Examiner.

Applicants respectfully request that the Examiner enter the above-mentioned amendments to the claims prior to issuance of the above-referenced application.

Conclusion

This Amendment under 37 C.F.R. § 1.312 is filed to amend minor typographical informalities in the claims prior to issuance. The amendments do not add new matter or require additional search.

It is believed that no further fees are due with this Amendment. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayment with respect to this patent application to deposit account number 13-2725.

Should any additional issues need to be resolved, the Examiner is requested to telephone the undersigned to attempt to resolve those issues.

Dated: July 2, 2009

Respectfully submitted,
